## FRONT-END WEB DEVELOPER USER INTERFACE, WEB, & GRAPHIC DESIGNER PHOTOGRAPHER, FILMMAKER, PRODUCER, AUDIO DESIGNER

### PERSONAL

I am mostly known as a Front-End Developer and a UI Designer. Some people call me a Web Developer, Graphic or Web Designer, Photographer, Multi-Instrumentalist, and Video Editor. I like to grow. I always push myself to accel at what I do. The world (and the web) is constantly changing, and it is vital to stay educated to stay on top of the game. I do a lot of things to keep me busy. I also like to program Music. I have filmed and edited a stunt film. I mainly focus on programming, design, and audio. I own a studio for photography, video, and audio. I like to make unusual sounds, noises, and uncomfortable tones. I am also a part of Leprika Productions.
